WE INVITE YOU TO TAKE PART
IN THE IOGT-CONFERENCE

COMMUNITY AND REHABILITATION

SOCIAL WORK AS A TASK OF THE
IOGT MEMBER ORGANISATIONS –
EXCHANGE OF NATIONAL AND INTERNATIONAL
APPROACHES, EXPERIENCES AND RESULTS

22nd to 24th of November 2013 in Berlin

IOGT House · Guttemplerhaus
Wildenbruchstraße 80
D-12045 Berlin

Aim of the conference

Most of the member organisations of IOGT International in Europe are working in the field of rehabilitation or social work. The target groups vary, and a lot of different methods are used.

But, based on the Vision and Mission of the heart-driven IOGT work, it is the enthusiasm of the members to help and to support. Self-help-groups, for example, give a new perspective for former addicts, especially in an environment which is both supportive and protective. But, as we do not have a lot of information about the work in the European countries, now is the time to exchange the knowledge, to discuss the targets and the methods used. The event also provides a possibility to make new friends, new co-operations and give the opportunity for supporting and stabilizing the organisations.

Target audience

Board members and senior staff of IOGT Member organisations in Europe;
professional and political collaborators;
key-persons from like-minded organisations by invitation.
