

Group of Friends of Universal Health Coverage and Global Health Thematic Discussions in Preparation for the 2023 HLM on UHC

The intention behind this series is to help build common ground and prepare member states for negotiations on the Political Declaration of the High-Level Meeting on Universal Health Coverage in September 2023. Through the Group of Friends of UHC and Global Health's platform, WHO and other key stakeholders will provide updates on the latest data, evidence, and policy recommendations, as well as help guide discussions on complex issues to inform an action-oriented outcome document to accelerate progress on UHC, in line with the 2030 Agenda for Sustainable Development.
